DELIVERY GROUP LLC • MEDICAL & LIGHT
FREIGHT LOGISTICS

FOUNDER-OPERATED • DIRECT ACCOUNTABILITY

EXECUTIVE OVERVIEW

StoneBridge Delivery Group LLC is a dedicated logistics and courier provider specializing in time-critical, high-consequence transport across Metro Atlanta and regional routes. Built on a founder-operated delivery model, StoneBridge guarantees single-chain accountability, zero call-center handoffs, and direct communication from pickup through final delivery.

CORE SERVICE OFFERINGS

1. Specialized Medical Courier

STAT and scheduled transport for laboratory specimens, pharmaceuticals, medical supplies, and sensitive healthcare materials under strict HIPAA-conscious protocol.

2. Light Freight & B2B Express

Door-to-door direct routes for high-priority commercial cargo, automotive parts, urgent machinery components, and business-critical materials.

3. Dedicated Direct Routes

Exclusive vehicle allocation with zero hub transfers, preventing lost or delayed shipments and providing chain-of-custody tracking.

DIRECT ACCESS

NO HANDOFFS • NO CALL CENTERS
